Parents may refer to the "Secondary School Education" booklet for general information on secondary school education.
2. Parents/Guardians can submit the completed S1 Option Form for their child/ward, either:
 - a. electronically via the S1 Internet System (S1-IS) (from home or anywhere with Internet access or using the primary school's internet facility)
 - OR
 - b. by bringing the hardcopy form to the child/ward's primary school to submit.
3. Parents/Guardians can submit their child/ward's S1 Option Form from 25 Nov to 01 Dec 2010. The deadline for submission of their child/ward's S1 Option Form is **by 01 Dec 2010, 3pm (Singapore Time)**.

5. Parents/Guardians can access the S1-IS using their child/ward's BC No./FIN and the S1 PIN. The unique S1 PIN is issued to parents/guardians in the sealed **S1 Option Form**, which will be given to their child/ward on 25 Nov 2010 together with their child/ward's PSLE results slip.
6. Parents/Guardians are advised to keep the **S1 PIN** confidential to prevent unauthorised access to their application on the S1-IS.
7. Parents/Guardians are advised to update any change in official residential address by **4 Nov 2010**.
